HUMBER BANK

This is an ideal walk if you work on the Europarc business park and fancy getting out from behind your desk at lunchtime or after work.

The walk starts outside the Innovation Centre and is accessible by public transport via the No 1 or 2 service from the centre of Grimsby. There is plenty of parking either at the Innovation Centre itself or on the streets around the area.

The walk meanders between the plethora of industries along the Humber bank with a half way stop on the seawall where you'll be able to see many of the industries which thrive in the local area along with the wildlife that live alongside them.

The walk crosses the railway on its way to and from the estuary so please take extra care crossing with children and pets.

Should you be in need of some refreshments you might want to visit Fresco Café situated on Origin Way for a coffee and a cake. There is also the opportunity to stop off at The Beechwood Farm Dining & Carvery on Village Way, for a drink and something to eat.
