

BEFORE SETTING OFF

- > It's well worth giving your bike a quick once-over before setting off, check your gears and brakes are in good condition, your tyres are pumped up properly and if you're going out at night that your lights work.
- > Check the weather before setting off and dress accordingly.
- > Check that the route is suitable for you and your party.
- > If possible let someone know where you are going and make sure that you carry a fully charged mobile phone.
- > Carrying a small cycle toolkit and puncture repair kit can save a long walk home if something goes wrong.
- > If you're going on a longer ride then carrying a drink and an energy snack is advisable

Breeze is the biggest programme ever to get more women into riding bikes for fun.

The aim is to help thousands more women feel confident and comfortable about going on a ride. Our local Breeze Champions organise fun, social, local bike rides for women.

Rides go at a speed that suits everyone, and they usually include a stop at a cafe, so everyone can have a drink and a chat.

For more information about local rides please visit www.breezebikerides.com, join in the chat on Facebook (Breeze Network - Coast and Wolds East Lincs).

PEAKS CIRCULAR

The circular route starts at Weelsby Woods and heads out towards the outskirts of Waltham before turning back through New Waltham and Cleethorpes and back to the Woods.

Much of the Peaks Circular route is on off-road cycle paths, making it great if you want to build up your confidence on your bike before embarking on something a little more challenging.

When using these paths please take note of the signs and instructions. Where the path has no line separating the pedestrian and cycle sides, please ride respectfully looking out for other users. Where there is a marked cycle lane please keep to it wherever possible and look out for other cyclists coming the other way.

Once you've finished your ride why not head over to the café in the woods for a drink and something to eat. Alternatively, you could stop either at Scartho or Waltham, both of which have cafes for a stop off.

No bike? If you haven't got a bike or are visiting the area, you can hire one from The Cycle Hubs located at both Grimsby town and Cleethorpes railway stations. Adult and children's cycles can be rented by the hour, day or week. They also have secure parking and repair services.
