## NORTH EAST LINCOLNSHIRE

## This self-guided trail will take you on a journey of culinary discovery around North East Lincolnshire - rich in history, provenance, and built on centuries of proud tradition...

With vast stretches of Lincolnshire's coastline to the East, and the Lincolnshire Wolds to the South, from the soil to the sea, there is plenty to discover in North East Lincolnshire.

Home to the pretty coastal resort of Cleethorpes and the sea-faring town of Great Grimsby - once the biggest fishing port in the world - great food and drink are at the heart of what the area has to offer.

With such a rich heritage, you'll find a great choice of bars, restaurants and cafes in North East Lincolnshire all offering locally sourced produce. Whether you are looking for a restaurant to enjoy a delicious evening meal or a casual lunch venue with some quirk, a fun cocktail bar for drinks with friends

or a café or tea room for a light bite, you'll find them all in North East Lincolnshire.

Steeped in history, and yet flourishing with innovation, you'll find a unique combination of flavours here. Charming café culture and fine dining bolt-holes nestle alongside street food brands and fusion foods, bringing big-city bounty to this countryside-meets-coast region.

Of course, no visit would be complete without tucking into a taste of tradition and some locally sourced fish and chips. Head to the beach or the Prom, a paper-wrapped parcel warming your hands, and look out across the sea as you unwrap North East Lincolnshire's gold.
